Dear Ms. Hardesty:

Pursuant to Idaho Code Section 39-116B, we are hereby submitting this letter to inform you of our plans to provide for the implementation of a motor vehicle inspection and maintenance program to regulate and ensure control of the air pollutants and emissions from registered motor vehicles, as designated by the United States environmental protection agency.

We will either continue participation in such a program through the Ada County Air Quality Board, or join with Canyon County and its cities to create a similar consolidated program.

Please let us know if you need anything further. Thank you.
